Description

The **award of the Historical Railways Estate (HRE) - Works Framework 2020**. The key purpose of this tender exercise is to deliver the **Works element of the Historical Railways Estate (HRE) Provision**. The works framework will provide the minor works intervention and, from time to time, reactive maintenance for 3190 assets throughout mainland Great Britain.

Lot 1 - National - Major Works

Typically, these orders equate to £200k or above. All works on this lot are awarded following secondary competition. This lot will hold three suppliers.

Lot 2 - North - Minor Works & Emergency response

Typically, these orders equate to less than £200k. All works will be awarded via Direct Allocation. This lot will hold three suppliers.

Lot 3 - South - Minor Works & Emergency response

Typically, these orders equate to less than £200k. All works will be awarded via Direct Allocation on this. This lot will hold three suppliers.
